

IRPS Early Career Award for RegPep25

IRPS Early Career Awards are for all early career researchers (ECR), IRPS members, to support attendance at RegPep25 June 23-27, 2025, in Washington DC, U. S. A.

- The award covers the **accommodation package**.
- Eligibility: available to members who:
 - are already paid up or have joined IRPS before the deadline of this call
 - are currently graduate students or have not passed 10 years since PhD graduation
 - have submitted abstracts as first authors
 - have paid the corresponding registration fee
- Selections will be based on academic quality, considering the [IBRO/ALBA Declaration on Equity and Inclusion](#). The number of awards will depend on available IRPS funds at the time.
- Submit your abstract through the RegPep.org website and copy your submission screenshot together with documentation of eligibility to RegPep25 Program Organizing Committee via the secretariat@irps-regpep.org, with subject "ECR travel grant application". Your application will be time-stamped and a priority list will be created based on the time-stamping of completed applications.

Abstract submission through RegPep.org: Deadline May 15, 2024
For IRPS Early Career Award application and contributed talk selection:
Deadline February 28, 2025
